

A E R O N

# AERON

BR  
brushed nickel body<sup>1</sup>  
with satin glass center disk  
and lower shade

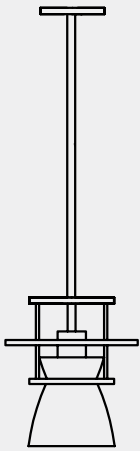

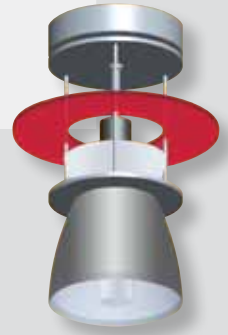

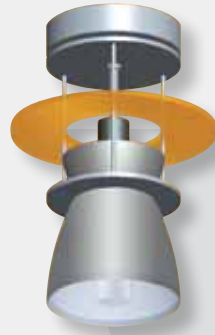

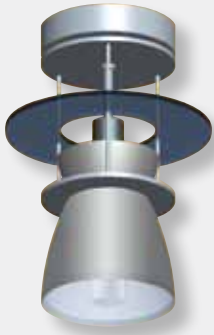

WH  
white body<sup>1</sup> with white metal  
center disk and satin glass  
lower shade

NCD-BR  
brushed nickel body<sup>1</sup> with  
no center disk and satin  
glass lower shade

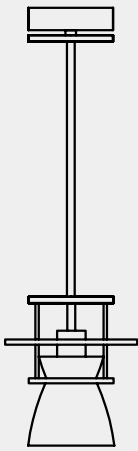

Dimensions: 7"  $\phi$  X 14" high (178 mm  $\phi$  X 356 mm), halogen: 7"  $\phi$  X 12" high (178 mm  $\phi$  X 305 mm)

1400					
Series	Mounting	Lamp	Finish	Voltage	Options
AERON medium	Ceiling	Fluorescent	BR brushed nickel with satin glass center disk and lower shade	U 120/277V	NCD no center disk
	C1 no ballast <sup>2</sup>	F26 26W triple		1 120V	DM dimming ballast
	C2 integral ballast	F32 32W triple		2 277V	EM fluorescent emergency battery - remote
	Pendant Stem <sup>4</sup>		WH white with white metal center disk and satin glass lower shade		BPC specify black power cord
	PS1 no ballast <sup>2</sup>	Ceramic Metal Halide			
	PS2 canopy ballast	M50 50W ED17			
	PS3 body ballast	M70 70W ED17			
	Pendant Cable <sup>5</sup>	M100 100W ED17			
	PC1 no ballast <sup>2</sup>	Halogen	CF custom finish, select options on next page		
	PC2 canopy ballast	H60 60W BT15			
PC3 body ballast	H75 75W BT15				
		H100 100W BT15			
		H150 150W BT15			

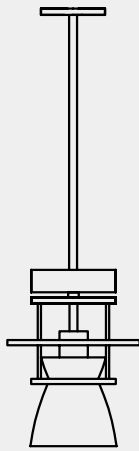

*Notes*  
dimming ballast may restrict suspension height, see technical sheet  
specify maximum pendant overall drop length with dimming ballast  
42W dimming ballast remote only
