

apache

The Apache standardized design in civil engineering is a source of inspiration for Studio RIGO for creative re-elaboration. The rigidity of the original profile is transformed into a bollard with minimal and curvy design with an entirely innovative emission: the source is positioned at the upper part of the product, facing downwards to create an asymmetric beam which eliminates glare, generating a harmonic and efficient diffusion while maintaining integration in the architectural space at the same time.

Materials

Metal body with polyester powder coating and protective surface pre-treatment
Transparent polycarbonate diffuser

Apache | Bollards | powerLED | Wet location | Driver remote | 7W 180mA

CRI 80

BK Grey	E64262	3000 K	935 lm	W	General	00
Gr BK	E64263	4000 K	978 lm	N		
DarkBrown	E64264					
Sand	E64265					

Power supply options (remote only)

ECO30W-180	SOLO50W-180
0-10V EldoLED ECOdrive 30W for 1 fixture	0-10V EldoLED SOLOdrive 50W for 1-2 fixtures

Accessories
