3.9" (13W)

5.5" (25W)

General: Loro is a family of highly performing LED downlights suitable to illuminate both residential and commercial applications.
A curved heat sink makes this down light suitable for shallow ceiling installations, and a chrome-plated, multi-facetted reflector with the addition of a clear diffuser offers a clean beam while keeping low brightness of the luminaire (UGR<19, appropriate for workstations).

Fixture Body: Powder Coated Die-Cast Aluminum
Trim: Bezel, Round or Square.
Mounting: Recessed ceiling.
Dimensions/Weight: 3.9" (0.75 lbs) – 5.5" (1.43 lbs)

Driver: Remote, 120-277V Dimmable 0-10V or Non-Dim.
Operation: Constant Current (CC)
CC features: Less susceptible to voltage drop (exceeding 32' distance); Allows for dimming down to 0.1%; Fixtures need to be wired in series.
Wattages: 13W@350mA (3.9") – 25W@700mA (5.5" Round)
Cable: Fixture comes with 0.56' of power cable.

IP rating: IP44 (with an IP65 rating of the optical chamber). Fixture is protected against solid objects greater than 0.04" and against water splashes on the fixture trim or lens. Not suitable for Outdoor applications or direct water jets.
ETL Certification: ETL, damp location

Optics: Adjustable with a 35° tilt and a 360° rotation (refer to Loro Fixed spec sheet for Fixed version). Available in Spot – Narrow Flood – Flood – Medium Wide Flood – Wide Flood.
Color temperatures: 2700K – 3000K – 3500K – 4000K.
CRI: 92

Lumen Maintenance: L70 projections tested at Tj 65° C and Ta 25°.
Warranty: 5-year Limited Warranty on fixtures. 1-year Limited Warranty on Remote Drivers.
