Cove
Cove Mount

Installation Instructions

IMPORTANT: *Fixture(s) must be wired in series! Refer to driver wiring document*

Luminaires must be installed by a qualified electrician. Check with local and national codes for proper installation.

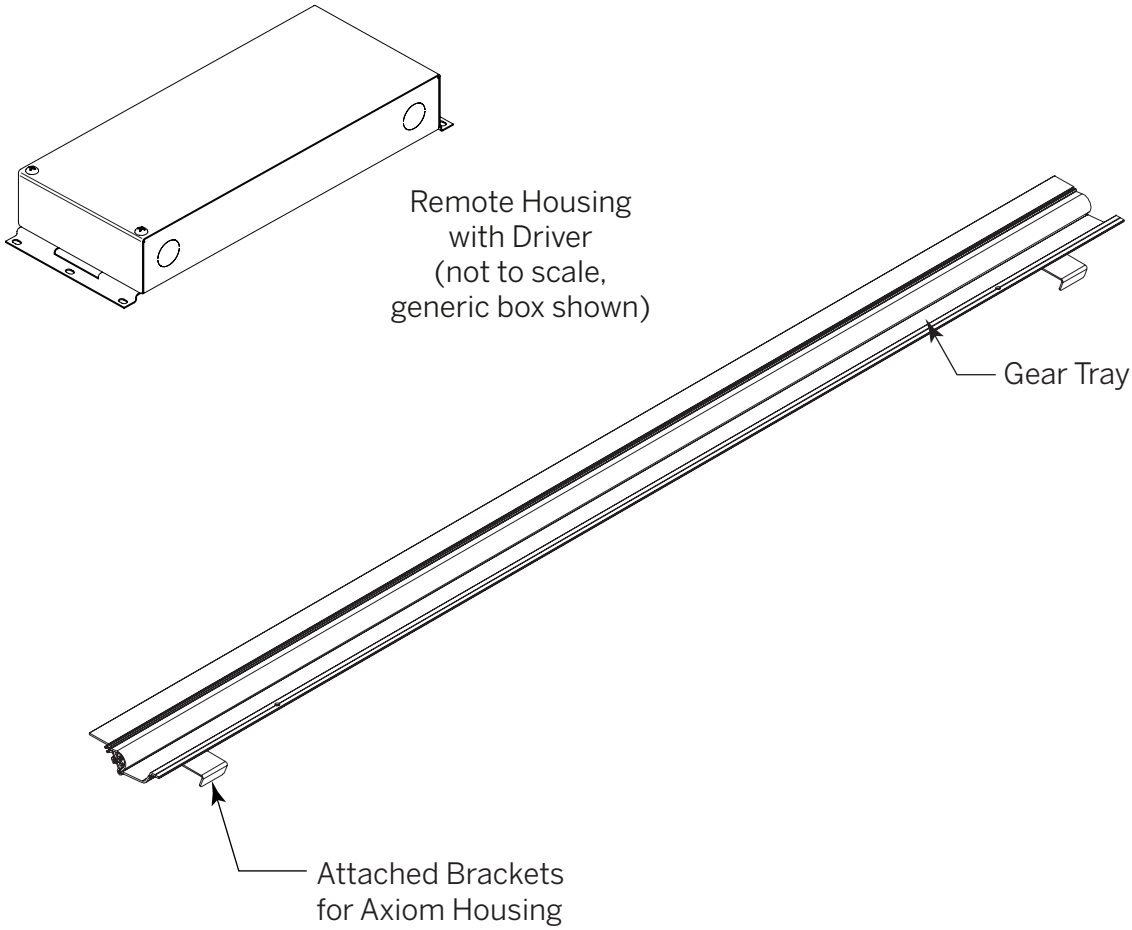

To prevent electrical shock disconnect electrical supply before installation or servicing.

Never connect a Fixture to a Live Driver!!!

Contractor is responsible for adequately reinforcing walls and/or ceilings to support fixture weight. Provide blocking when necessary.

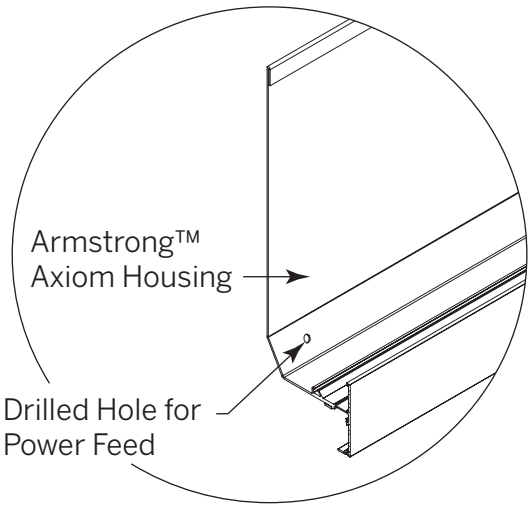

Step 1 - ***Open the Box***

Unpack luminaire unit. Each unit consist of (1) major parts: Gear Tray with Lens and Brackets that mount directly to Armstrong Axiom Housings. Remote Drivers and Driver Boxes supplied by Inter-lux.
